**REACH Declaration**  
**August 31, 2020**

The European Union's (EU) Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) Regulation impacts almost every product made in or imported into the European Economic Area (EEA). In accordance with the REACH Regulation, the European Chemicals Agency (ECHA) maintains a list of substances that may have serious effects on human health or the environment, known as substances of very high concern (SVHCs).

This list can be found at: <https://echa.europa.eu/candidate-list-table>.

This declaration is to inform users of Dicronite<sup>®</sup> dry lubricant, manufactured by Lubrication Sciences International, Inc., that Dicronite<sup>®</sup> does not contain any substance identified as an SVHC as reported by the candidate list dated 25 June 2020.
