**REACH Declaration**

**March 29, 2024**

The European Union's Registration, Evaluation, Authorization and Restriction of Chemicals regulation (EC No 1907/2006) impacts almost every product made in or imported into the European Economic Area. In accordance with the REACH regulation, the European Chemicals Agency (ECHA) maintains a list of substances that may have serious effects on human health or the environment, known as substances of very high concern (SVHCs).

This list can be found at: <https://echa.europa.eu/candidate-list-table>.

This declaration is to inform users of Dicronite<sup>®</sup> dry lubricant, manufactured by Lubrication Sciences International, Inc., that Dicronite<sup>®</sup> does not contain any substance identified as an SVHC as reported by the candidate list updated 23-Jan-2024.

Douglas V. Croft  
President
